

## **Sans Mini Market - Bean**

Hello we are the Parameswaran family, we have recently taken over the village shop from Frank Miles. As you can see there have been many changes and it looks completely different to how it used to. We have increased the amount of items available and have many different special offers on every month. The Post office has also been through a change and is now located at the front of the shop, we still offer most services however there are a few that we no longer do. One significant change to the Post Office is that we no longer take cheques.

The opening hours of the **shop** are:

**Monday - Saturday** 5.30 am - 10 pm  
**Sunday** 6am - 7pm

The opening hours of the **Post Office** are:

**Monday- Saturday** 8am - 7pm  
**Sunday** 9am - 1pm

Thank you.
